Vanuatu Police Force's post

Vanuatu Police Force
29 May 2018 ·

China has built a strong relationship with the government of Vanuatu in the past and today marks another mile stone within the Vanuatu Police Force (VPF).
For the first time ever under China arrangement through China embassy in Vanuatu, the Vanuatu Police force will send a big number of 20 officers, 6 females and 14 male officers to attend a 2018 Seminar on National Security for Vanuatu.
Commissioner of Police Mr Albert Nalpini is very proud this morning to address his officers who are attending this seminar. In his official remarks he stresses that it is a history in the VPF to send a large number of officers to china, he emphases mainly on discipline as paramount and be security ambassadors of Vanuatu in China soil.
The aim of the seminar will focus on the international Security landscape and the needs of the security area in Vanuatu, there will be a range of lectures, Practical and enterprise visit, the seminar will expand the teaching content from traditional security area transform to the major international problems in current situation and unconventional security area.
The VPF delegation will depart this week and return on the 18th June 2018, the Commissioner of Police thank the Vanuatu government and the government of China for recognizing security as Paramount.
